GRUMPY WIZARDS MAKE TOXIC BREW FOR THE EVIL QUEEN AND JACK. ONE MORNING, WHEN GREGOR SAMSA WOKE FROM TROUBLED DREAMS, HE FOUND HIMSELF TRANSFORMED IN HIS BED INTO A HORRIBLE VERMIN. An investigation has concluded that there is little evidence that creams, painkillers and anti-inflammatory often used for bites actually work. In any case, said Drug and Therapeutics Bulletin researchers, the reactions got better by themselves in most cases. Midges, mosquitoes, flies, fleas and bed-bugs account for most bites. A variety of remedies are sold over the counter in pharmacies to relieve the itching, pain and swelling. Other scientists have suggested that swapping thicker fur for clothes was a way of making insect bites and parasitic infestations

Festac '77, also known as the Second World Black and African Festival of Arts and Culture (the first was in Dakar, 1966), was a major international festival held in Lagos, Nigeria, from 15 January 1977 to 12 February 1977. [1] The month-long event celebrated African culture and showcased to the world African music, fine art, literature, drama, dance and religion. About 16,000 participants, representing 56 African nations and countries of the African Diaspora, performed at the event.[2][3] Artists who performed at the festival included Stevie Wonder from United States, Gilberto Gil from Brazil, Bembeya Jazz National from Guinea, Mighty Sparrow from Trinidad and Tobago, Les Ballets Africains, South African Miriam Makeba, and Franco

The feast day of the Roman martyr Felix is 29 July.[7] The antipope Felix died, as stated above, on a 22 November, and his death was not a martyr's,[8] occurring when the Peace of Constantine had been in force for half a century.

As well as the Roman Martyrology, the Roman Missal identified the Saint Felix of 29 July with the antipope. This identification, still found in the 1920 typical edition,[9] does not appear in the 1962 typical edition. [10] To judge by the Marietti printing of 1952, which omits the numeral "II" and the word "Papae", the correction had already been made by then. One Catholic writer excuses this by saying that the antipope

Trăm năm trong cõi người ta, chữ tài chữ phận khéo là ghét nhau. Trải qua một cuộc bể dâu, những điều trông thấy mà đau đớn lòng. Lạ gì bỉ sắc tư phong, trời xanh quen với má hồng đánh ghen. Một khảo sát mới cho biết người dân Iraq ngày càng cảm thấy bị quan và không tin tưởng vào chính phủ cũng như liên quân. Nga đang thực hiện chiến dịch cứu hộ sau khi có vụ nổ khí methane tại một mỏ than ở Siberia làm ít nhất 61 người thiệt mạng.
